**MANAGEMENT DISCUSSION ANALYSIS REPORT**

**INDUSTRY STRUCTURE AND DEVELOPMENTS:**

With a total area of 3,287,263 sq. km extending from the snow-covered himalayan heights to the tropical rain forests of the south, India has a rich cultural and historical heritage, variety in ecology, terrains and places of natural beauty spread across the country. This provides a significant opportunity to fully exploit the potential of the tourism sector.

It is widely acknowledged that the tourist and hospitality sector, which encompasses travel and hospitality services like hotels and restaurants, is a development agent, a catalyst for socioeconomic growth, and a significant source of foreign exchange gains in many countries. India's rich and exquisite history, culture, and diversity is showcased through tourism while also providing significant economic benefits. The consistent efforts of the central and the state governments has helped the tourism industry to recover from the covid-19 pandemic shock and operate at the pre pandemic level.

The travel market in India is projected to reach US\$ 125 billion by FY27 from an estimated US\$ 75 billion in FY20. The Indian airline travel market was estimated at ~US\$ 20 billion and is projected to double in size by FY27 due to improving airport infrastructure and growing access to passports. The Indian hotel market including domestic, inbound and outbound was estimated at ~US\$ 32 billion in FY 20 and is expected to reach ~US\$ 52 billion by FY27, driven by the surging demand from travelers and sustained efforts of travel agents to boost the market.

**SEGMENT WISE PERFORMANCE**

Currently, the Segment wise report is not applicable to the company as the company has no multiple segments.

**STRENGTH AND WEAKNESS:****STRENGTH:**

1.Provides Safe Abode Away from Home:

It's undeniable that the hotel industry provides safe accommodation for people when they are away from their homes.The industry itself boasts millions of decent rooms.

2. Contributes to the Local Economy:

As an industry that wields significant financial power, the hotel industry can certainly tide things over in the local economies.Sure, it's local attractions that bring the masses to the community, but it's the hotels that keep them there.When people stay in a place, they consume local services and goods.

**WEAKNESS:**

1.High Hotel Rates- Huge setup cost:

The problem is that these rates are not within reach of an average household in today's world.So, the hotels are losing customers to competition inside and outside the industry.

2.Unfavourable Tax Rates:

The hotel industry is subjected to an unfair tax structure which, in turn, takes the cost of offering hospitality services to a whole new high.As if that isn't worse enough, some hotels also receive higher sales taxes when pitted against other sub-industries such as bed and breakfasts.

**RISK AND CONCERN**

The Company risk management framework consists of identification of risks, assessment of their nature, severity and potential impact, and measures to mitigate them. This framework is in place for adequate and timely reporting and monitoring. Risks are reviewed periodically and updated to reflect the business environment and change in the size and scope of the Company's operations.

The Company recognizes its Economics and Operational risks and have measures in place to mitigate the impact of adverse macroeconomic situation. This includes focusing on pull-based strategy for customer acquisition through referrals and targeted digital marketing, which allows it to reach the right segments and at the same time ensures higher conversion to sales. The Company is also in the process of ramping up its international marketing network to increase their contribution to the sales mix. Another initiative taken during the year was introduction of a one year product 'Xperience Breaks', which allows the Company to reach out to younger prospects who are not ready to commit themselves for the longer duration offerings.

The Company has systems and controls in place to mitigate these risks and minimise instances of non-compliance. It also believes that its proactive stance on sustainability will hold it in good stead for future development and growth.

#### **COMPANIES OUTLOOK:**

We expect to see technology further influence every aspect of hospitality from the way our hotel operates to the way you interact with guests. Trends such as the sharing economy will mature and take greater shape in the year 2023-2024.

#### **OPPORTUNITIES AND THREATS:**

##### **OPPORTUNITIES:**

##### **Millennials as the new target sector:**

Millennials are creating new sectors for the hotel industry. Their love for travel, technology, sustainability, and green tourism acts as the sole reason for these opportunities. A large group of people is now becoming the chief of traveling and housing (during the travel). Depending on this market, a lot of other sectors can have the spilling-over effect. Like these millennials are paving new ways for the hotel industry.

##### **THREATS:**

##### **Prevalent Conditions:**

Political uneasiness in a country can easily pose a threat to the hotel industry.

##### **Turbulent Economies:**

The world's recess has had a heavy toll on the hotel industry. With low rates of disposable income and small interests, the hotel industry is finding itself in a great struggle.

- c) In the case of cash flow statement, for the cash flows for the year ended on that date
- d) And the changes in equity for the year ended on that date

**Basis for Opinion**

We conducted our audit in accordance with the Accounting Standards (AS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1.	Evaluation of Investments in property equity and other assets.	Principal Audit Procedure Obtained all documents of investments in equity and property. Verified the documents and their deeds . We have considered the cost of the property as provided in the documents , Investments in shares was verified through DMAT account. Other investments were checked from third party statements. Conclusion Our procedure did not identify any material exceptions.

**Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management's Discussion and Analysis, Board's Report, Corporate Governance including Annexures to Board's Report and Share Holders information, but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, total comprehensive income, changes in equity financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of going concern basis of accounting and based on the audit evidence obtained whether a material uncertainty exists related to events or conditions that may cast significant doubt on Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would be expected to outweigh the public interest benefits of such communications.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of ABN Intercorp Limited of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of ABN INTERCORP LIMITED (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

<b>B.</b>	<b>SIGNIFICANT ACCOUNTING POLICIES</b>
<b>B-1</b>	<b>Basis of preparation of financial statements</b>
	The financial statements have been prepared under the historical cost convention on accrual basis, except for basis except for certain financial instruments which are measured at fair value.
	The Financial statements of the company have been prepare to comply with the Accounting standards ("Ind AS") including the rules notified under the relevant provisions of the companies Act, 2013
	Upto the year ended March31,2017, the company has prepared its financial statements in accordance with the requirement of Indian General Accepted Accounting Policies, which includes Standards notified under the Companies (Accounting Standards Rules 2006 and considered as "Previous GAPP")
<b>B.2</b>	<b>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</b>
<b>(a)</b>	<b>Property, Plant and Equipment</b>
	Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustment arising from exchange rate variations attributable to the assets.
	Subsequent costs are included in the asset's carrying amount or recognised as a seprate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.
	Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operatiove expenses and disclosed under capital work in progress.
	Depreciation on property, plant and equipment is provided based on useful life on the assets prescribed in Shedule II to the Companies Act, 2013
	The residual values, useful lives and methods of depreciaion of property, plant and equipment are reviewed at each financial year end and adjusted propectively, if appropriate.
<b>(b)</b>	<b>Leases</b>
	Leases are classified as finance leases whenever the terms of the lease, transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.
	In respect of fixed assets given on finance leases, assets are shown as receivable at an amount equal to net investment n the lease. Initial direct costs are recognised immediately as expenses in the Statement of Profit and Loss. Income from leased assets is accounted by applying the interest rate implicit in the lease to the net investment.
<b>(c)</b>	<b>Intangible assets</b>
	Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/ depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations atributable to the intangible assets.
	Gains or losses arising from derecognition of an intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit or Loss when the assets is derecognised.
	Intangible assets comprising of Software are amortised over the period of 5 to 10 years.

<b>NOTES TO ACCOUNTS FORMING PART OF BALANCE SHEET AS AT 31.03.2024</b>	
<b>(d) Inventories</b>	Inventories are measured at lower of cost or net realisable value.
<b>(e) Impairment of not-financial assets- property plant and equipment and intangible assets</b>	<p>The Company assesses at each reporting dates as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an assets or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual assets, the Company estimates the recoverable amount of an individual assets, the Company estimates the recoverable amount of the (CGU) to which the assets belongs.</p> <p>An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an assets, fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.</p> <p>The Impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.</p>
<b>(f) Provisions</b>	<p>Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resource embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.</p> <p>If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as finance cost.</p>
<b>(g) Employee Benefits</b>	<p>Pursuant to the requirements of AS 15 (revised 2005) on "Employee Benefits", issued by the Institute of Chartered Accountants of India (the standard), which has become effective from April 1, 2007, the Company provided for employee benefits as per the revised requirements of the standard for the current quarter. In respect of the employee benefits up to June 30, 2010, the actuarial valuation is being carried out by the management for the recognition of gratuity and leave encashment liability.</p> <p>Gratuity has been provided on the basis of provisions of gratuity act 1972 and actuarial assumption used by the actuary and leave encashment has been provided on the basis of company policy and actuarial assumption used by the actuary in this regard.</p>
<b>(h) Tax Expenses</b>	<p>The tax expense for the period comprises current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.</p> <p><b>Current tax</b> Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.</p> <p><b>Deferred tax</b> Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred Tax Liabilities and Assets are reviewed at the end of each reporting period.</p>
<b>(i) Foreign Currency Transactions</b>	<p>Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.</p> <p>Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.</p> <p>Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.</p>

<b>(j)</b>	<b>Revenue recognition</b>	<p>Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed . Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.</p> <p>Revenue from operations includes sale of services, service tax adjusted for discounts (net).</p> <p>Interest income from a financial asset is recognised using effective interest rate method.</p> <p>Revenue is recognised when the Company's right to receive the payment has been established.</p>
<b>(k)</b>	<b>Financial Instruments</b>	
<b>(i)</b>	<b>Financial Assets</b>	<p>All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.</p> <p>Purchase and sale of financial assets are recognised using trade date accounting.</p> <p>A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principle amount outstanding.</p> <p>A financial asset which is not classified in any of the above categories are measured at fair value through profit or loss.</p>
<b>(ii)</b>	<b>Financial Liabilities</b>	<p>All financial liabilities are recognized initially at fair value and in case of loans net of directly attributable cost. Fee of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.</p> <p>Financial Liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.</p> <p>The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial assets expire or it transfer the financial assets and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.</p>
<b>(l)</b>	<b>Investment</b>	<p>Long-term investments are carried at cost less any other-than-temporary diminution in value, value, determined on the specific identification basis.</p> <p>Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is carried out separately in respect of each investment.</p> <p>Profit or loss on sale of investments is determined as the difference between the sale price and carrying value of investment.</p>
<b>C.</b>	<b>CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY:</b>	<p>The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.</p>
	<b>a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets</b>	<p>Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual value of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual value are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The Depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.</p>

b)	<b>Recoverability of trade receivable</b> Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment
c)	<b>Provisions</b> Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amount of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.
d)	<b>Impairment of non-financial assets</b> The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generation Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, and appropriate valuation models are used.
e)	<b>Impairment of financial assets</b> The impairment provision for financial assets is based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.
